

Kasasa Cash

This disclosure contains the rules that govern your deposit account.

Account Overview:

Kasasa Cash: A free variable rate checking account with no minimum balance that rewards accountholders with interest and nationwide ATM withdrawal fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycle.

Purpose and Expected Use of Account

This account is intended to be the accountholder's primary checking account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle *are not* considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

[Wells River Savings Bank](#) reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether. We also reserve the right to convert the account to a different checking account if the account does not have consistent active use over **2** consecutive Statement Cycles.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted, and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A [Wells River Savings Bank](#) check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash account, any optional add-on products / services associated with this account will also be terminated at the same time.

Interest Rate & Annual Percentage Yield (APY)

- **Compounding & Crediting:**

Interest will be compounded daily. Interest will be credited to your Kasasa Cash account on

the last day of the current statement cycle. If you close your account before the interest is credited, you will not receive the accrued interest. Interest begins to accrue on the business day you deposit noncash items (for example, checks).

If January 1, July 4, November 11, or December 25 falls on a Sunday, the next Monday is not a Business Day.

Balance Computation Method:

We use the daily balance method to calculate the interest on your Kasasa Cash account. The daily balance method is the application of a daily interest rate to the full amount of principal in the account each day.
